## 5-DAY BATAM NONGSA GOLF & BEACH PACKAGE (5D/4N/3G) WEEKDAY

**Day 1:** Arrival at Batam Hang Nadim International Airport followed by transfer to Nongsa.

**Day 2:** After breakfast tee off at Tamarin Santana 9-holes course for 2x9 holes round.

### ABOUT THE COURSE:

Although just a 9-holes course, Tamarin Santana is a course that you should play when in Batam. And not only because it was designed by one of the greatest golf course designers the sport has ever produced, but certainly also because it's situated in an impressive location.

The course is located just a wedge shot away from Palm Springs Golf & Country Club and the Nongsapura ferry terminal. From Singapore the ferry ride to Batam will take about 45 minutes, and as the ferry carefully makes its way to the jetty of the Nongsapura terminal, from the ferry deck you will have a front-row seat view on the Tamarin course.

**Day 3:** After breakfast tee off at Palm Springs Golf & Beach Resort

### ABOUT THE COURSE:

Palm Springs Golf & Country Club is the only 27-hole Golf & Beach resort in Batam. It offers play in a mix & match format of the three nine holes courses that are named Palm, Island and Resort.

The Island and Resort course were designed by USPGA player Larry Nelson, while the Palm course was designed by IMG. All three courses are of championship quality.

The Balinese-style clubhouse is attractively located on a secluded bay, offering the membership and visiting players some terrific amenities. Not only does it feature a beach front restaurant with view on waving palm trees and the Singapore Strait, but it also offers function- and recreation rooms, 12 private massage rooms for male and female golfers, an 18-bay driving range, as well as a fully equipped pro shop. The Palm lodge

offers 12 deluxe rooms equipped with TV, IDD telephone and a mini bar.

The three 9-hole courses are all located in the coastal and hilly area behind the clubhouse and they offer a great challenge for golfers of all skill levels. Palm Springs is conveniently located only 2 minutes away from Batam's Nongsapura terminal, landing point for the ferry that takes you from Singapore to Batam in

**Day 4:** After breakfast tee off at Tering Bay Golf & Country Club

### ABOUT THE COURSE:

The 18-hole Tering Bay course is a creation of Greg Norman and it is part of the Tering Bay Resort.

From the black tee boxes the course has to be played with the finesse and intellect as if you were Greg Norman himself.

Measurements are in meters and the scorecard shows a mere 5,629 meters from the white tee boxes. Although this seems awfully short, don't let that make you overconfident. This course requires concentration at all times.

The par 5 hole #2, the par 4 hole #5, the par 5 hole #11, the par 3 hole #15 and the par 4 hole #16 feature tricky water hazards. Especially on holes #5 and #15, these water hazards are coming into play from the tee box.

Hole #9 is the handicap stroke 1 hole, while the closing hole on the back nine, a 414 meter long par 4, is the second most difficult hole on this layout.

**Day 5:** After breakfast free at own leisure followed by departure to Batam Hang Nadim International Airport
